Description

Westminster City Council is looking to deliver up to 30 (Thirty) DC EV Rapid Charge Points within the borough with the award of a concessionary contract.

These sites will consist entirely of on-street locations and our plan is to procure a contract that will deliver at least twenty-five 50kW output chargers with the potential, if site conditions allow, for up to 5 higher powered 100-150kW units.

The Council will undertake a programme where the Rapid Charger sites which have been enabled by the Council's own highways service provider, including the dedicated charging bays and signs.

A Request For Information (RFI) is available to complete for interested organisations. To take part in the market engagement exercise, interested organisations should complete

the RFI document which is available on the councils e-procurement tool ("Jaggaer"), reference SQ_30079 - On Street EV Rapid Chargers (Request For Information), and the link to Jaggaer can be found here: https://wcc.ukp.app.jaggaer.com/esop/ogc-host/public/wcc/web/login.jst?VISITORID=4a0544d5-013a-4429-ae33-6f6aa52d8650&_ncp=1722428316887.988243-1. Please copy and paste onto your browser.

Further information can be found on the councils website here: <https://www.westminster.gov.uk/about-council/procurement/our-esourcing-and-contract-management-solution>.

This questionnaire will not form part of the formal procurement process.

All responses are to be submitted via Jaggaer (online procurement portal ref: SQ_30079 - On Street EV Rapid Chargers (Request For Information) no later than Midday (12:00 hrs (GMT)) on Tuesday 18th March 2025. The deadline for submitting clarification questions will be 12:00hrs Thursday 13th March 2025.

Our expectation is that a procurement will follow on conclusion of the market engagement exercise.

It is to be noted that a UK2 - Preliminary Market Engagement Notice relating to the above has also been issued.
