II.2.4) Description of the procurement

This Lot is seeking the collection and treatment of bulked wood waste from SZWP. Upon

collection of the waste the Service Provider must ensure that it is stored, transported, treated and disposed of properly and in accordance with all applicable laws, permissions, consents, licences, permits and the waste duty of care requirements. Treatment options offered should be as far up the waste hierarchy as possible. This Lot is for wood of varying types, but typically it will be un-shredded. Material is likely to come predominately from Household Waste Recycling Centres and possibly other Council premises or operations. Material may be sorted or unsorted. There is no guarantee that waste wood will meet PAS104 or PAS111 standards. It is recognised therefore that both low-grade, (suitable for some processing and power and heat generation) and high grade (as per PAS104) may be encountered. Materials likely to be included within scope are processed Hardwood, MDF, Chipboard, Plywood and/or Blockboard.

This Lot will be collected by the winning bidder in their own (or a suitably qualified sub-contractor's) walking floor articulated vehicle, or another suitable vehicle type as agreed.
