Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The Research Computing Backup Solution (RCBS) provides backup and disaster recovery services for securing research data held in the University's research computing infrastructure including components from various suppliers including IBM. OCF currently provide full solution support, including technology integration, engineers based at the ACF, and all hardware and software support for the Research Computing Backup Solution. By maintaining a single support supplier, it eliminates any possibility of disputes between multiple support agents for service provision.
