Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Design, Supply and Installation of Anti-Climb and Security Fencing for the Chantry Centre Multi Storey Car Park, Andover

Reference number

PAM025

II.1.2) Main CPV code

- 45342000 - Erection of fencing

II.1.3) Type of contract

Works

II.1.4) Short description

The Council is seeking suitably qualified and experienced tenderers to provide bids that satisfy one, or both, of the following requirements along with additional works as detailed in the specification:

- Option A

Design, supply, install additional measures to work with existing barrier arrangements (repaired/replaced as necessary and repaint) to resolve risks identified in the risk assessment. Design options should aim to improve both the external and internal visual appearance of the car park.

or

- Option B

Remove existing barriers and design, supply, install new anti-climb barriers to resolve risks identified in the risk assessment. Design options should aim to improve both the external and internal visual appearance of the car park. Multiple costed design options may be submitted.

Both options will be evaluated with the preferred option being chosen as part of the evaluation process. Both options must also include a proposal to clean the exterior of the car park.

II.1.5) Estimated total value

Value excluding VAT: £200,000

II.1.6) Information about lots

This contract is divided into lots: No
