Section II: Object

II.1) Scope of the procurement

II.1.1) Title

FWK1136 Project Management and Cost Management Framework

Reference number

FWK1136

II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

The Authority intends to establish a multi-supplier framework with suitably qualified and experienced providers of project and cost management services to support the safe, efficient, and effective delivery of a diverse range of projects across the parliamentary estate. The Parliamentary Estate has a unique built asset portfolio consisting of Grade I, II and II* listed buildings, several of which require refurbishment due to the age and fragility of the buildings, the inadequacy of mechanical and electrical services, poor environmental performance, fire safety improvement requirements and otherwise.

II.1.5) Estimated total value

Value excluding VAT: £88,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 79994000 - Contract administration services
- 90712000 - Environmental planning

- 90721000 - Environmental safety services

II.2.3) Place of performance

NUTS codes

- UKI32 - Westminster

II.2.4) Description of the procurement

The Authority intend to establish a bicameral (providing services to both Houses) parliamentary framework with suitably qualified and experienced providers of project and cost management services to support the safe, efficient, and effective delivery of a diverse range of projects across the parliamentary estate. The Delivery Authority and any successor body shall also be entitled to issue call-off contracts under the framework agreement. Projects delivered on the Parliamentary Estate are characterised by their delivery under the RIBA Plan of Work 2020; the use of the NEC4 suite of contracts and operation to CIC Level 2 BIM. The Authority wishes to procure a single point of responsibility delivery model. The services include:

- project management
- contract administration (NEC suite of contracts)
- cost management/consultancy
- cost estimating services
- project and cost management of design contacts
- change management
- risk management
- construction management
- health and safety and CDM advisory services
- stakeholder management
- statutory planning and approvals project management
- project controls and reporting

- moves management
- all other construction project management services of a similar nature as may be required by the Authority or Delivery Authority (including specialist services to support the Project Management Organisation).

Providers must be capable of providing and coordinating the input of all of the above services (and any additional related) services necessary for delivery of projects and take accountability for delivery whether services are subcontracted or not.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £88,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

Limitations on the number of operators who will be invited to tender or to participate

The highest scoring six bidders will be appointed to the framework, unless a smaller number

meet the minimum criteria in which case that number will be appointed.. Further information is available within the enclosed procurement documentation.

Award Criteria

The most economically advantageous tender in accordance with the criteria detailed in procurement documentation

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

English

IV.2.7) Conditions for opening of tenders

Date

28 April 2023

Local time

12:15pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

The ITT documentation will be accessible at the Houses of Parliament's e-procurement portal: <http://in-tendhost.co.uk/parliamentuk>. tender submissions must be uploaded to the e-procurement portal; electronic responses submitted via e-mail are not acceptable.

To access these documents, select the tender reference FWK1136 in the 'current tenders' list, click on the 'view tender details and express interest by clicking on the button provided. You will need to register your company details, thereafter you will be issued with a username and password. If you have previously registered with In-Tend, please follow the link shown which will redirect you to the home page where you can log on using your existing username and password to collect the tender documents.

If you have registered and forgotten your username and password, click on the 'forgotten password' link on the In-Tend homepage. Please keep this username and password secure and do not pass it to any third parties. If you are experiencing problems, please contact the PPCS Business Support team via email: ppcs@parliament.uk or call +44 (0)207 219 1600 for further assistance.

You are advised to allow sufficient time when responding to the ITT. Late tenders will not be accepted. If you are uploading multiple documents, you will have to individually load one document at a time or you can opt to zip all the documents in an application such as WinZip or WinRAR.

Tenderers should note that the Authority is unable to accept a position where a successful project management and cost management services framework supplier can manage services, supplies, or works provided by their own organisation or affiliates or, certify payment for the same. Suppliers will need to satisfy the Authority that irresolvable conflicts will not arise and that an appropriate level of independence will be maintained between project and cost management service arrangement and any other service, supplies, or works contracts / agreements that may be held by the Supplier. Failure to satisfy the Authority in this matter may result in the Supplier's disqualification from the procurement process in accordance with Article 57 of the Public Contracts Regulations 2015.
