II.2.4) Description of the procurement

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to the relevant authority by 9/2/2026.

Representations can only be made by providers party to the framework agreement. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

Any representations should be sent via Atamis correspondence or KFM LLP, Unit 1, 129 Coldharbour Lane, London, SE5 9NY.

The panel of decision makers consisted of the following:

General Manager, Radiology

Clinical Director, Radiology Care Group

Director of Digital Diagnostics

Head of Cyber Security

Clinical Director for Emergency Care

Consultant Neuroradiologist

Finance Business Partner

Head of Commercial Finance

Lead Superintendent Radiographer - CT

No actual conflicts of interest were declared, no mitigations were required.

Evaluation criteria used were weighted 70% technical, 20% commercial, and 10% social value. These key criteria were agreed with clinical stakeholders to secure assurance on receiving the highest quality bids while accounting for the need for value for money. The contract award criteria was specified in the procurement documents, specifically the Invitation to Tender, with weighting of individual questions set out further in the Technical Response Document. The successful bidder was selected on the basis of their responses against the key criteria, scoring highest against the technical and social value criteria.

II.2.5) Award criteria

Quality criterion - Name: Technical / Weighting: 70%

Quality criterion - Name: Social value / Weighting: 10%

Price - Weighting: 20%

II.2.11) Information about options

Options: Yes

Description of options

Option to extend by up to 12 months has been included within the four year term.

II.2.14) Additional information

This is a notice of intention to award to Everlight Radiology for the provision of remote teleradiology services including provision of supporting ICT services, based on a framework agreement under the competitive process, for 4 years (including a potential extension of 12 months), at an approximate value of £9,500,000.

This will be a new service provided by a new supplier, with services intended to run from 1/7/2026 to 30/6/2029, with an option to extend to 30/6/2030.
