II.1.4) Short description

NHS Supply Chain seeks to establish a non-exclusive Framework Agreement, for supply of the Goods and Services outlined below, to the NHS Supply Chain customer base. This will be principally via the Direct and E-direct Routes of Supply. However, NHS Supply Chain may use any of the Non-direct Routes of Supply described in the Framework Agreement to purchase Goods and Services.

NHS Supply Chain intends to launch a national Framework Agreement for the Supply of Imaging, Radiotherapy and Endoscopy Equipment, Ancillary Devices and Associated Goods and Services.

This Framework Agreement will also include the option to Supply equipment used in a research setting upon customer request. The minimum requirements set out within Appendix 3 Framework Agreement Specification will be applicable. Due to the bespoke nature of the research equipment the customer will set any additional requirements per request.

The Framework Agreement will be divided into 22 Lots. For brief details of the Goods and Services to be made available under each Lot, please review the table section below entitled “Lots” and individual Lot specifications at Appendix 3 Framework Agreement Specification. There is also further detail about some types of “associated services” that may be made available under the Framework Agreement – in conjunction with equipment – at the table section below entitled “Associated Services” and in Appendix 7.

Only NHS Supply Chain can order from the Framework Agreement and enter into contracts under it.

Electronic ordering will be used and electronic invoicing will be accepted and electronic payment will be used. For the avoidance of doubt, and notwithstanding the estimate indicated at II.2.1, NHS Supply Chain does not guarantee any level of purchase through the Framework and advises Applicants that the Framework shall be established on a non-exclusive basis. Tenders and all supporting documentation for the contract must be priced in sterling and written in English. Any agreement entered into will be considered a contract made in England according to English law and will be subject to the exclusive jurisdiction of the English Courts. NHS Supply Chain is not liable for any costs (including any third party costs fees or expenses incurred by those expressing an interest, participating or tendering for this contract opportunity. NHS Supply Chain reserves the right to terminate the procurement process (or part of it), to change the basis of and the procedures for the

procurement process at any time, or to procure the subject matter of the contract by alternative means if it appears that it can be more advantageously procured by alternative means. The most economically advantageous or any tender will not automatically be accepted. All communications must be made through NHS Supply Chain's procurement portal at <http://nhssupplychain.app.jaggar.com/> using the Message Centre facility linked to this particular contract notice.

Please note that the maximum number of suppliers as set out in IV.1.3 is an estimate only.

III.1.2) Economic and financial standing

Minimum level(s) of standards possibly required

Parent company or other guarantees may be required in certain circumstances. Further details will be in the tender documents.

III.2) Conditions related to the contract
