#### II.1.4) Short description

Keynvor Morlift Ltd (KML) invites all suitable companies to tender for a call off contract for the supply of Construction workers for their Falmouth Wharves Marine Hub Project.

This project, which is part funded by the European Regional Development Fund, will deliver flexible industrial workspace as well as improved marine facilities, creating a unique asset for the South West. It includes the refurbishment and fit-out of four existing buildings on site.

The role of the supplier under this contract will be to provide workers across the construction trades to support the refurbishment and repair works on site. These works will include the renovation of commercial buildings, improvements to the site's external spaces and repairs to the piled wharf structure.

You will be required to supply multi skilled workers with experience of working on commercial construction projects. They will be required to have relevant construction site qualifications, trades certificates and where necessary experience of working in the marine construction and civil engineering industry.
