II.1.4) Short description

This Prior Information Notice is not a call for competition, rather, it is to advertise and invite the Supply Chain to a virtual Pre-Market Engagement (the “Engagement”) event, prior to the commencement of the procurement exercise. The event will take place via Microsoft Teams at 14.00 on 5 April 2022

The purpose of the Engagement event is for NR to:

- 1) provide the Supply Chain with some background of the project, and current status;
- 2) relay to the Supply chain the funding and planning status of the project; and,
- 3) answer any immediate questions

The format of the event will be a presentation followed by a question and answer session.

Following the event, NR will issue a short questionnaire to all participants in order to:

- gauge interest in the project and appetite to bid given current project status and prevailing

market conditions

The Engagement will be recorded; and the output of feedback captured during and post the event will be made available to all future tenderers as part of the procurement documents, or communicated via a message on the Bravo site.
