Engagement

Engagement deadline

5 February 2026

Engagement process description

The purpose of this engagement is to:

Understand whether the market can meet our requirements and identify any constraints or opportunities.

Gather supplier feedback to ensure specifications are realistic, achievable, and aligned with industry standards.

Use insights to determine the most appropriate route to market, framework structure, and commercial model.

Provide early visibility of the opportunity to a broad supplier base, supporting fair and open competition.

Identify potential risks and innovative solutions early, reducing the likelihood of delays or poor delivery post-award.

By engaging with the market at an early stage, we will improve the quality of our tender documents, attract a wider pool of capable suppliers, and ultimately deliver better value for money and service outcomes.
