Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

HPV Self-sampling Cost Effectiveness Model

Reference number

C253383

II.1.2) Main CPV code

- 73000000 - Research and development services and related consultancy services

II.1.3) Type of contract

Services

II.1.4) Short description

Cost-effectiveness model to understand the conditions under which harms will outweigh benefits for the offer of HPV self-sampling in the UK.

II.1.5) Estimated total value

Value excluding VAT: £250,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 73210000 - Research consultancy services

II.2.3) Place of performance

NUTS codes

- UKI32 - Westminster

II.2.4) Description of the procurement

Cost-effectiveness model to understand the conditions under which harms will outweigh benefits for the offer of HPV self-sampling in the UK.

Deliverables will include the following:

- Model Specifications: Development of a model to determine the conditions under which the introduction of self-sampling in the cervical screening programme provides the most benefits in terms of clinical outcomes for women and cost-effectiveness for the programme.
- Cost effectiveness model: Running of model and analysis of cost-effectiveness.
- Model Technical Report: Interim report(s) by Spring 2025, to feed into the ISE design process.
- Model: Final report(s) in Spring 2026 clearly outlining model type, analytical approach, assumptions, uncertainties, results, and discussion, including implications to policy.
- It is expected that the final paper is published in a peer-reviewed journal to highlight the high-quality and robust work required.
- Transfer of the model's outputs to the UK NSC

II.2.14) Additional information

1.1. For avoidance of doubt THIS IS NOT a call for competition.

This is a market consultation. The purpose is to advise suppliers of the forthcoming Department of Health and Social Care (DHSC) procurement and seek feedback from potential bidders and existing providers that may inform the final specifications and/or procurement approach to the services.

II.3) Estimated date of publication of contract notice

1 May 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
