II.2.4) Description of the procurement

NHS Norfolk and Waveney Clinical Commissioning Group (CCG) wish to commission a Neurodevelopmental Diagnostic service providing assessment and diagnosis of Adult ADHD (attention deficit hyperactivity disorder) and Autistic Spectrum Conditions without learning disabilities. The Service will cover both adults and children. The requirement is available from the link (see 1.3) Communication)

This is an interim service in response to current waiting lists to ensure RTT (i.e. waiting times) requirements are met.

The CCG wishes to understand how best to provide these services, and to this end have arranged a virtual market engagement event for Tuesday 12th April 2022.

The event will take place on-line between 10am to 16:30pm. Attendees are asked to attend an initial introductory session between 10am to 10:30am and then from 10am to 16:30pm, individual supplier engagement sessions will be available for up to 30 minutes each. The sessions will provide an opportunity for suppliers to discuss the Service with us on an individual basis.

To attend this event, please email agem.norfolkprocurement@nhs.net prior to 12 noon on 7th April 2022 after which access details will then be shared.

The CCG reserves the right to collate and distribute after the event to all suppliers, those non-confidential questions raised and CCG responses provided during the event.

II.3) Estimated date of publication of contract notice
