II.1.4) Short description

The Provision of Paediatric Dental General Anaesthesia is a necessity and the Health Board has no other options available to safely deliver

the service.

Due to theatre capacity constraints the Health Board is unable to provide this service in house. The service cannot be provided in a General

Dental Practice environment as this requires a specialist service with the facilities and qualified staff to deliver the anaesthetic.

The service specification defines the outcomes, standards of care and requirements essential for delivering a Paediatric Dental General

Anaesthesia Service for children and young adults (3 – 17 years of age) resident in the Swansea Bay University Health Board area, driven

by the children's needs, their best long-term interests, and minimises risks to them as individuals. The objectives of this service

specification are to ensure care is: consistent with relevant national and SBUHB guidelines and policies and recognised best practice.

Provided in a safe environment, by individuals who are competent to deliver the needs of the patient and in the patient's long-term best

interests.

The service must be provided within the Swansea Bay footprint. Currently there remains only one specialist provider in Swansea. Parkway

Clinic Ltd have the appropriate facilities and qualified staff, to provide the specialist service in line with the service specification.
