## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Low Carbon Kiosks

Reference number

SW23/CI/1426

#### **II.1.2) Main CPV code**

- 44211000 - Prefabricated buildings

#### **II.1.3) Type of contract**

Supplies

#### **II.1.4) Short description**

Scottish Water (SW) wishes to enter into a framework agreement for the provision of innovative Low Carbon Kiosk (LCK) solutions. The framework will include the design, manufacturing, fabrication, on site assembly (if required) and delivery of both security and non-security rated low carbon kiosks and enclosures across Scotland, including highlands, islands and remote locations. To substantially differentiate the Low Carbon Kiosks from standard GRP/Steel kiosks bidders will be required to provide evidence as to the low carbon benefits/carbon savings of their kiosks including a detailed breakdown of embodied carbon. The framework will be for an initial period of 2 years with SW option to extend for a further 6 periods of 12 months. This framework is intended to include a variety of innovative low carbon solutions from a variety of suppliers. All LCK solutions proposed must be market ready and able to be ordered from the framework commencement date. The framework will thereafter provide the ability for additional products which meet the minimum criteria to be added by successful suppliers throughout the duration of the framework period. Further information in respect of the Scope and Specification is detailed within the tender documentation.

#### **II.1.5) Estimated total value**

Value excluding VAT: £5,300,000

#### **II.1.6) Information about lots**

This contract is divided into lots: No

## **II.2) Description**

### **II.2.3) Place of performance**

NUTS codes

- UKM - Scotland

Main site or place of performance

Scotland

### **II.2.4) Description of the procurement**

Scottish Water (SW) wishes to enter into a framework agreement for the provision of innovative Low Carbon Kiosk (LCK) solutions. The framework will include the design, manufacturing, fabrication, on site assembly (if required) and delivery of both security and non-security rated low carbon kiosks and enclosures across Scotland, including highlands, islands and remote locations. To substantially differentiate the Low Carbon Kiosks from standard GRP/Steel kiosks bidders will be required to provide evidence as to the low carbon benefits/carbon savings of their kiosks including a detailed breakdown of embodied carbon. The framework will be for an initial period of 2 years with SW option to extend for a further 6 periods of 12 months. This framework is intended to include a variety of innovative low carbon solutions from a variety of suppliers. All LCK solutions proposed must be market ready and able to be ordered from the framework commencement date. The framework will thereafter provide the ability for additional products which meet the minimum criteria to be added by successful suppliers throughout the duration of the framework period. Further information in respect of the Scope and Specification is detailed within the tender documentation.

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £5,300,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

96

This contract is subject to renewal

Yes

Description of renewals

Duration is an initial 2 year period with the option to extend for a further 6 x 12 months periods, subject to the sole discretion of Scottish Water.

**II.2.9) Information about the limits on the number of candidates to be invited**

Envisaged minimum number: 3

**II.2.10) Information about variants**

Variants will be accepted: No

**II.2.11) Information about options**

Options: No

**II.2.14) Additional information**
