Award criteria

Name	Description	Type	Weighting
Specification	Complete Appendix 3 in response to each of the required specifications outlined in Section 3.2. Answer with either a 'Yes', 'No' or 'Partial' and notes to accompany response which detail the specifications you are proposing.	Quality	40%
Questions	1. Confirm how your company manages supply chains in relation to meeting time frames, quality control, health and safety and assess their performance and output. Please be specific in terms of processes, performance indicators and the personnel involved. 2. Outline details of the experience and qualifications in terms of the company, employees and sub-contractors that will be involved in delivering this project. Provide specific detail on individual qualifications, company memberships and what sector and facilities the company specialise in.	Price	30%

Name	Description	Type	Weighting
Total Cost	Scoring will be made according to the overall cost of project. Scoring on cost will be based on increments that are proportionate and fair to the submissions provided from highest to lowest cost as a percentage of the proposed budget. Example: proposals that are within the budget will score an automatic 5/10 then increase based on the increment of submissions. If the cost difference is deemed minimal (i.e. less than 1%) between suppliers, the scoring will be considered equal.	Price	20%
Quotation	Suppliers are to provide: An itemised quotation	Quality	10%
