Section VI. Complementary information

VI.3) Additional information

The Science Museum Group requires a Hard Services partner to provide maintenance services across six strategic premises within its estate.

The minimum requirements for this procurement are:

-must cover all services listed in the tender (PPM, remedial, reactive, planned and maintenance project work)

- must cover all SMG locations listed in the tender
- must include on-site technical/engineering support at each site
- must score a minimum overall score of 50% in the Schedule 4 (Solution) section

Bids will be evaluated on the basis of best value: a combination of price and technical solution.

Due to the COVID-19 pandemic, and Government guidelines, the Science Museum Group (SMG) has closed its sites to the public and for its operations. In doing so, SMG has taken the decision to only proceed to Stage Two of the procurement once normal service resumes.
