II.1.4) Short description

Capital City Partnership ("CCP") requires suppliers to provide an integrated Management Information System ("MIS") for employability across the Edinburgh and South East Scotland City Regional Deal ("ESES CRD") area. This is part of the Integrated Regional Employability and Skills ("IRES") Programme.

The new system across the six Local Authorities ("LAs") will enable the more effective pooling, analysis, and dissemination of information that will be critical to driving service improvement, increased responsiveness, and reinforce a person-centred approach in delivery.

In addition to CCP, additional organisations working in employability will need to be incorporated to create a truly joined up regional employability offering across the ESES CRD area.

To facilitate this multi-year, multi-phase project which is moving forward in unprecedented times following COVID-19, CCP are looking to commission a software partner for the next four years of the IKS project.
