II.2.4) Description of the procurement

This is a requirement for a Provider with a minimum of three years organisational experience in delivering Care, Support and Enablement (CSE) services to people within Supported Living accommodation-based services. The Provider must also have, within their organisation, an active registration with the Care Quality Commission (CQC) for delivering personal care and will need to ensure that personal care delivered in relation to this service is covered by their registration before the Contract commences.

This is a requirement for Care, Support and Enablement services only. Provision of the housing element is not in scope of this Contract.

The service will meet the CSE needs of up to 12 adults (usually aged 18 – 64) which will include individualised 1:1 support time, shared support and 24-hour waking night cover 7 days a week.

The service will be delivered in a newly built housing development in the Gedling District of Nottinghamshire. The service will comprise twelve units of accommodation plus office space. The housing will be provided by Progress Housing Group and the CSE Provider will be required to enter into a Service Level Agreement and a Data Sharing Agreement with Progress Housing Group in respect of their relationship and responsibilities. A copy of the draft contractual documentation that the CSE Provider will be required to sign up to with Progress Housing Group is provided as part of the tender documentation.

It is planned that the service will be operational within the housing development by the 5th September 2022. The Provider will be required to work with the Council in advance of this, from the 1st August 2022 to identify prospective tenants and plan assessment and transition work. These dates may be subject to change if there are any delays with the building process.

The Contract will have an initial term of 4 years with the potential to extend for a total of three years in two increments of 18 months.

The Contract value of this requirement is estimated to be a maximum of £450,000 per annum. Therefore, over the potential term available (7 years) the Contract value of this requirement is estimated to be up to £3,150,000.
