Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Modified Civilian Operational Vehicle Support Arrangement (MCOV SA)

Reference number

700212314

II.1.2) Main CPV code

- 50100000 - Repair, maintenance and associated services of vehicles and related equipment

II.1.3) Type of contract

Services

II.1.4) Short description

The Authority wishes to implement a single supplier support contract to be known as Modified Civilian Operational Vehicle Support Arrangement (MCOV SA).

MCOV SA will deliver all required support for modified Commercial Off The Shelf (COTS) civilian operational vehicles, for the UK Ministry of Defence and where required wider Public Sector Organisations. This will include, but not be limited to, a mixed fleet of modified COTS vehicles currently estimated at circa 250 vehicles. Additional vehicles may be added to the Contract to a maximum upper limit of 1000 vehicles, however, while the initial fleet will total c. 250 vehicles, this may reduce during the life of the Contract and the Authority does not guarantee a minimum fleet size at any one time. Whilst no guarantee can be provided that this number will increase or decrease, the contract will be capped at 1000 vehicles.

The Authority requires a Supplier with a proven track record of providing support for a vehicle fleet, to include but not be limited to:

Preventative and reactive maintenance (e.g. servicing, MoTs, certification and testing for legislative requirements for equipment such as vehicle mounted lifting equipment, vehicle maintenance and repair, glass and tyre replacement), Accident Management Services, Provision of technical advice and support and the ability to liaise with Specialist 3rd party suppliers on request where required.

Provision of vehicle related training.

Suppliers shall need to provide a UK wide service with a robust supply chain and a network of available facilities. Consideration must be given to the location of facilities that should be available UK wide as work cannot be undertaken at Authority facilities. The Successful Supplier would be expected to undertake work within close proximity of any Authority location.

In specific circumstances, under Authority may direct the Supplier to utilise specific Sub-Contractors.

Elements of the requirement are classified up to Secret UK eyes only (SUKEO) therefore all suppliers will need to be able to demonstrate that they hold or are able to obtain List X Status.

Information relating to List X status and other security related elements can be found at: <https://www.gov.uk/government/publications/security-requirements-for-list-x-contractors>

- UK - United Kingdom

II.2.4) Description of the procurement

The Authority wishes to implement a single supplier support contract to be known as Modified Civilian Operational Vehicle Support Arrangement (MCOV SA)

MCOV SA will deliver all required support for modified Commercial Off The Shelf (COTS) civilian operational vehicles, for the UK Ministry of Defence and where required wider Public Sector Organisations. This will include, but not be limited to, a mixed fleet of modified COTS vehicles currently estimated at circa 250 vehicles. Additional vehicles may be added to the Contract to a maximum upper limit of 1000 vehicles, however, while the initial fleet will total c250 vehicles, this may reduce during the life of the Contract and the Authority does not guarantee a minimum fleet size at any one time. and, whilst no guarantee can be provided that this number will increase or decrease, the contract will be capped at 1000 vehicles.

The Authority requires a Supplier with a proven track record of providing support for a vehicle fleet, to include but not be limited to:

Preventative and reactive maintenance (e.g. servicing, MoT's, certification and testing for legislative requirements for equipment such as vehicle mounted lifting equipment, vehicle maintenance and repair, glass and tyre replacement)

UK wide Breakdown and Recovery services

Accident Management Services

Provision of technical advice and support and the ability to liaise with Specialist 3rd party suppliers on request where required.

Provision of vehicle related training

Suppliers shall need to provide a UK wide service with a robust supply chain and a network of available facilities. Consideration must be given to the location of facilities that should be available UK wide as work cannot be undertaken at Authority facilities. The Successful Supplier would be expected to undertake work within close proximity of any Authority location.

In specific circumstances, under Authority may direct the Supplier to utilise specific Sub-Contractors.

Elements of the requirement are classified up to Secret UK eyes only (SUKEO) therefore all suppliers will need to be able to demonstrate that they hold or are able to obtain List X Status.

Information relating to List X status and other security related elements can be found at: <https://www.gov.uk/government/publications/security-requirements-for-list-x-contractors>

<https://www.gov.uk/guidance/supplier-cyber-protection-service>

<https://www.gov.uk/guidance/defence-security-and-assurance-services-defence-industry-list-x>.

The Authority requires that the preferred bidder shall operate and maintain a certified ISO 9001 based Quality Management System by contract award, accredited either by UKAS or equivalent. If the bidder does not have a current ISO certificate, it is required that they provide an overview of their quality activities and plans, if applicable, to gain ISO 9001:2015 certification or equivalent.

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter), the Authority reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies, or otherwise.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £2,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

Yes

Description of renewals

Option to extend the contract for 2 additional years, in 1 year iterations
