- 77313000 - Parks maintenance services
- 77310000 - Planting and maintenance services of green areas

II.2.3) Place of performance

NUTS codes

- UKM84 - North Lanarkshire

II.2.4) Description of the procurement

The service will operate throughout the growing season between approximately March and November each year and will provide nine (9) grass cuts with reforming edges on two (2) of these visits; two (2) weedkills; and three (3) hedge trims at each property, each year. The service is predominantly provided to elderly and infirm council tenants, but it may also be provided to non-council tenants who meet the same criteria on a chargeable basis. The Ad-Hoc Garden Works is to provide garden works to properties throughout North Lanarkshire, including general tidying and maintenance within gardens, grass cutting, hedge cutting, tree pruning, reforming garden areas, clearance of debris and path clearing, on an ad-hoc basis throughout North Lanarkshire. This ad-hoc service is predominantly carried out in void properties, properties recently allocated through the void process, or provided as an initial one-off service to elderly or infirm tenants who have been assessed and qualify to be included on our Garden Assistance Scheme.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 30

Price - Weighting: 70

Total value of the contract/lot: £1,432,293

Section VI. Complementary information

VI.3) Additional information

TENDERERS PLEASE NOTE: Police Scotland identified a number of business areas which have a high risk of infiltration by Serious and Organised Crime groups; this Framework belongs to one such area and as such the Authority reserves the right to include enhanced probity checks prior to any contract award, including sharing tenderer information with Police Scotland.

The tender pack includes a schedule for the Declaration of non-involvement in serious organised crime; this is a mandatory tender submission requirement for all tenderers.

One company to be appointed to each lot – six companies in total. Tenderers bidding for multiple lots will be required to rank their lot preference across the lots they bid for. There is a section built into PCS-T within the Technical envelope where bidders will indicate their preference in the event that a tenderer is ranked one in multiple lots.

Lot 5 not awarded.
