II.1.4) Short description

The purpose of this PIN / Request for Information (RFI) is to seek market insight, recommendations and proposals on the various possible Gigabit delivery models (technical, operational and commercial) that would accelerate the deployment of affordable Gigabit fibre to every home, business and organisation across the BCP Council area. These models may potentially include a new partnership between the market, BCP Council and the wider BCP community in order to ensure that optimum economic and social outcomes are achieved. The inputs that we receive from this RFI will help us to shape our requirement before going to market with a formal competition.
