The Isle of Wight Council (“the Authority”) invites Tenders from suitably qualified suppliers (“Potential Suppliers”) for the provision of the Isle of Wight Sexual and

Reproductive Health Service.

This procurement follows the Open Procedure under the Public Contract Regulations 2015.

The aim of the service is to improve sexual health through the delivery of a range of accessible, high-quality, responsive, cost-effective, confidential, Integrated Sexual Health Services through a branded hub and spoke model of service provision to the local population. The service will also support the delivery of level 1 and 2 sexual health services in primary care and other community settings through clinical and system leadership and the development and provision of professional training, care pathways and the co-ordination of a local sexual health network.

Level 3 clinical services shall be Consultant-led and provided via a One-Stop Hub and Spoke Model. This service model includes the provision of the following Level 3 Sexual & Reproductive Health

Services.

Access to the service should be through a range of appointment types, such as face to face, virtual, telephone and online. The Provider is required to ensure effective working relationships with commissioners and staff of interdependent services including existing HIV and termination of pregnancy services and with commissioners of national vaccination programmes for people at increased risk of certain infections to enable delivery of seamless pathways for service users.
