Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract will be detailed in the tender submission.

The Community Benefits Method Statement will not be evaluated or scored as part of the tender process. This will remain unopened until after all tenders have been evaluated and the preferred provider(s) have been identified. At this point the Community Benefit's responses will be opened and reviewed. Although not evaluated, the method statement forms part of your submission and it is essential you complete this statement.

(WA Ref:130111)
