Description

We will be awarding a contract for Cleaning of the Public Toilets at Sackville Street Car Park, Sackville Street, Thrapston, Northamptonshire.

To ensure that the quality of the consumables being used in the toilets remains high, the Council are looking for contractors to provide 2 quotes:

1 - That the contractor will supply all tools and consumables, including all cleaning chemicals,

cloths, mops, toilet rolls, hand soap etc.

2 - That the contractor excludes the costs of supplying all tools and consumables, this instead

would be managed and supplied by the Council.

Our intention is to award this Contract for a period of three years.

Break points are available within the Contract at the end of the first and second year of the contract period by giving two months' notice in writing, at which time both parties will decide on

whether the Contract will continue.

The decision on whether to continue the Contract in years two and three will be at our sole discretion and we will base it on the following factors: performance, consistency, budget

availability, customer satisfaction.

The total value of this Contract over the entire period, including any extension options, will be in the region of £40,000 - varied by whether tools and consumables are included or excluded
