Changes to notice

This notice has been edited. The [previous version](#) is still available.

Correction of tender deadline, extension period, and suitability for SME's and VCSE's that were incorrectly transferred from e-tendering portal

Scope

Description

The purpose of this contract is to:

- a. Undertake high quality primary and secondary research into the quality, consistency and value to students of currently-available student information
- b. Produce high quality research reports setting out findings in a clear and accessible way
- c. Inform future policy development activity and evidence-based decision making into the student information infrastructure
- d. Secure the input and engagement of a range of relevant stakeholders in considering this research topic.
