The council procured a contractor for the design and construction of key enabling

infrastructure, namely:

- Banwell bypass including flood mitigation works;
- Local transport improvements including supporting active and sustainable travel and public realm/traffic

management within Banwell village;

- Improvements to Junction 21 of the M5.
- Strategic capacity improvements to the utility network.

The Project is to be carried out in two stages, using a bespoke early contractor involvement (ECI)

approach. Stage 1 to include preliminary design and ancillary services, and stage 2 detailed design

and construction. The contractor will only be appointed to undertake stage 2 detailed design and construction phase of the project if instructed to do so by the Council. If the Council wishes the contractor to undertake these stage 2 activities, then it will (towards the end of stage 1) issue a 'Confirmation of Notice to Proceed' at the appropriate time.
