II.1.4) Short description

The framework scope of the MSF4 is for the execution of highway, civil and municipal engineering works. Typical schemes may involve, but not exclusively be, highway improvements, highway maintenance, highway infrastructure works (including bridges, subways, culverts and retaining walls), public realm works (town centre enhancements), drainage improvements, canal works and other infrastructure works such as waste management facilities.

Such schemes will be undertaken within the administrative boundaries of the existing MHA+ members (on behalf of the local authorities concerned or any other publicly-funded body working in conjunction with the MHA+ members), and other such bodies located within or adjacent to the geographical Midlands area that become members of the MHA+ during the currency of this Agreement. Any member of the MHA+ will be eligible to place orders under this framework. A full, up to date list of MHA+ members can be found on the MHA+ website <https://www.mhaplus.org.uk/about-us/membership/>

There is no lower or upper limit on the value of Work Orders that can be issued under the MSF4. It is anticipated that most work will be in the range of £1million to £12million but a

published and regularly reviewed pipeline of potential schemes will be available to allow resource planning.

Prior Information Notice was previously published in relation to this opportunity in Find a Tender Service under reference 2021/S 000-003320.

II.2.4) Description of the procurement

For the purposes of this tender process, Leicestershire County Council is acting as the Client and the Contracting Authority on behalf of the Midlands Highway Alliance Plus (MHA+). Once the Framework Agreement is awarded, any organisation who is a member of the MHA+ (this includes any organisation that may become a member during the Framework Term), will be able to place a Works Order under it with a framework contractor. Each Works Order will create a separate, stand-alone contract between the MHA member who placed it and the Contractor. Leicestershire County Council will have no liability except in relation to Works Orders which it places itself. Irrespective of who places them, Works Orders will incorporate by reference all of the relevant information and arrangements set out in the Framework Agreement.

The Framework Agreement will be based on NEC4 Framework Contract. The permissible contract conditions for the call-off contracts placed under this framework will be: Engineering and Construction Contract, Main Option C; Engineering and Construction Short Contract or Professional Services Short Contract.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Restricted procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

Envisaged maximum number of participants to the framework agreement: 4

In the case of framework agreements, provide justification for any duration exceeding 4 years:

Due to nature, size and complexity of contracts intended to be called-off under this framework, limiting the framework term to 4 years appears disproportionately short and does not allow for the full realisation of benefits of performance management, collaboration and continuous improvement. MHA+ retained the right to offer any options to extend the term beyond the initial 4 years only at its absolute discretion subject to review of framework's effectiveness, value for money offered and overall performance.

IV.1.8) Information about the Government Procurement Agreement (GPA)

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.4) Procedures for review

VI.4.1) Review body

High Court of Justice

The Strand

London

WC2A2LL

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Leicestershire County Council (LCC) will incorporate a minimum 10 calendar days standstill period at the point of information on the award of the contract, as communicated to tenderers. Applicants who are unsuccessful shall be informed by LCC as soon as possible after the decision has been made as to the reasons why the applicant was unsuccessful. If an appeal regarding the award of the contract has not been successfully resolved, The Public Contracts Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take legal action. Any such action must be brought within the applicable limitation period. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order for any document to be amended and may award damages, make a declaration of ineffectiveness, order for a fine to be paid, and/or order the duration of the contract be shortened. The purpose of the standstill period referred to above is to allow the parties to apply to the Courts to set aside the award decision before the contract is entered into.
