II.2.4) Description of the procurement

Contract for the provision of supply and installing Lockers.

North Wales Police need to purchase several styles of lockers to be used across the force's region. These lockers are needed to support officers in storing their personal belongings, their uniform and kit plus electrical devices in a secure environment and providing the added benefit of allowing them to charge their equipment within the locker.

All lockers will be supplied and installed by the vendor, and they will remove and take away all packaging waste. To offload all ordered items, cart to the locations required (as indicated on call off order) and place in position (agreed at time of order). Then to bolt nests, commission all compartments and clear away wrapping for your disposal to registered waste sites. Installers to be Certified SAFE contractors. All work conducted on premises is to be conducted in a safe manner and in accordance with Health and Safety requirements. Method Statements and Risk Assessments are produced and fully adhered to.

The contract commencement date is to be advised later and will, once awarded, run for a period of 2 years, with the option within the contract to extend +1+1+1 if both parties are happy with the performance provided.
