An annual sum in the region of £10,000, but not limited to this amount, will be available for the provision of the core work outlined in this document. This is to include staffing, volunteer costs and related insurance, travel, preparation time and marketing. The commissioned organisation will also provide its own transportation, IT and other equipment (including equipment needed for activities, if not already in place within the community) and all consumable materials required to meet the objectives and provide activities and services for young people detailed above.

Please note that the parish council has no buildings of its own and the cost of hiring facilities will need to be included within the tender. Provide activities and services for young people aged 10-16 to enjoy and to help their
