II.2.4) Description of the procurement

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union.

NHS Wales Shared Services Partnership wish to inform the market that they intend to award a contract for the on-going workforce and productivity management software system.

The Health Board seek to award a contract to MRI Software Ltd to ensure continuity of service of the existing system as well as increase its use. The service user is critically reliant on this system and any interruption of service or transition would put the estates service at risk in its core health board support function

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The Health Board wish to award to MRI Software Ltd to ensure continuity of service. The department are reliant on this system and changing would introduce risk. The software currently meets the needs of the organisation and a change in systems would result in time and resource implications.
