Value excluding VAT: £300,000

II.2) Description

II.2.2) Additional CPV code(s)

- 72710000 - Local area network services

II.2.3) Place of performance

NUTS codes

- UKG24 - Staffordshire CC

Main site or place of performance

Tamworth

II.2.4) Description of the procurement

Work with the College IT Department to design the network and plan the implementation to ensure that the new campus connects to our existing ospf network. It is the responsibility of the agent to provide the technical low-level design (TLLD) and statement of works.

The new campus will have a direct link to our Lichfield and Torc campuses. The Lichfield campus will be hosting our main server infrastructure from February 2025 and is the main 10gb internet breakout for all campuses. The provider is to ensure that the new campus can connect to all our other campuses

Any network design must incorporate any VLAN configuration and segregation in line with the college business requirements and must be aligned to DFE guidelines.

Network needs to have appropriate high availability within the design to include switch stacking and multi fibre uplinks to mitigate switch or cabling failure.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No
