Value excluding VAT: £15,236,589

## **II.2) Description**

### **II.2.2) Additional CPV code(s)**

- 72000000 - IT services: consulting, software development, Internet and support

### **II.2.3) Place of performance**

NUTS codes

- UK - United Kingdom

### **II.2.4) Description of the procurement**

The Police Digital Service intends to implement a Framework Agreement (via a Competitive Procedure with Negotiation) which allows police forces, other law enforcement agencies and public bodies to call off the services. The high-level requirements include, but are not limited to, the following:

(i) Business application development – (development of new applications, integration with existing systems and interfaces with external systems);

(ii) Business application/s support and maintenance – (support and maintenance of production application systems, business continuity management, upgrades to applications resulting from technology changes);

(iii) Desktop services - (end to end desktop managed service, virtual desktop infrastructure, virtual and thin solutions, remote access, integration and interface management between third party desktop provided services and other services provided under this PIN);

(iv) System integration (service management, service desk/helpdesk, event management, incident management, problem management, request fulfilment, common service operations, access management, application support management, ICT facilities management, change management, configuration management, knowledge management, release planning, release management, service catalogue management, service level management, capacity management, availability management, service continuity, information security management, supplier management and network management);

and

(v) Provision of Hardware and Commercial Off the Shelf (COTS) Software – (licensing of

proprietary or open-source software including underlying database systems, maintenance, provision of third-party items, configuration and implementation services).

Scope of project across UK policing, wider law enforcements and its partners.

These capabilities and services are envisioned to be introduced, in one coherent solution, across proactive police operations i.e. planned, deliberate investigations/operations which may include, but not limited to the following:

- Serious Organised Crime (SOC) investigations and associated operations at all levels (force, regional and national) including the sensitive intelligence network;
- Counter Terrorism Policing investigations and associated operations at all levels (force, regional and national);
- Fugitive/manhunt investigations and associated operations at all levels (force, regional and national);
- Kidnap/crime in action response investigations and associated operations at all levels (force, regional and national);
- Cyber incidents and investigations/operations across the ROCU Cybercrime Units and Force Cybercrime Units in UK policing; and
- Any planned operation where there is a clear or implied threat to life (TTL) in which the operation invokes a response under Article 2 of the Human Rights Act 1998, placing an obligation on law enforcement agencies to take reasonable steps to protect a person whose life is in 'Real and Immediate Danger'.

Over the duration of the agreement scope may change to meet legislative and/or policy changes. Hosting of the solution is to be determined please refer to the Tender documents. All estimated values in this notice include all hosting costs, however the final requirements will be provided within the documentation.

#### **II.2.5) Award criteria**

Quality criterion - Name: Technical / Weighting: 55

Quality criterion - Name: Social Value / Weighting: 10

Price - Weighting: 35

The contractor is an SME

Yes

**V.2.4) Information on value of contract/lot (excluding VAT)**

Total value of the contract/lot: £15,236,589

---

## **Section VI. Complementary information**

### **VI.3) Additional information**

The procurement is in support of a project vision of:

"A consistent, robust and trusted approach to complete case management, contemporaneous recording of decision-making and operational responses for all UK police forces and nationally coordinated law enforcement structures that are charged with conducting operations where the threat to public and officer safety may be high. This initiative will focus on the end user of intelligence and wider situational awareness that supports effective decision-making."

This procurement will also support the wider Police Digital Strategy 2030 and be an enabler of "aligning around a national vision for police data and technology. This will be borne from the architectural principles we apply, and will guide our investments."

Documents will be restricted view for those individuals who have met the minimum stated security requirements. Should suppliers withdraw from the process at any stage, all documentation must be securely disposed of and confirmation provided via EU Supply (Bluelight)

ALL communication regarding the NDA and security vetting MUST be sent to [Commercial@pds.police.uk](mailto:Commercial@pds.police.uk) FAO Victoria Barton REF: DDaCS 75881

All communication regarding all other matters MUST be sent via EU Supply (Bluelight) messaging

NB: NO OTHER FORM OF COMMUNICATION WILL BE ACCEPTED FOR THIS STAGE OF THE OPPORTUNITY.

Bidders who have already provided an updated NDA and vetting status as part of the pre-procurement market engagement are not required to resubmit this evidence.

### **VI.4) Procedures for review**

#### **VI.4.1) Review body**

High Court

7 Rolls Building, Fetter Lane

London

EC4A 1NL

Country

United Kingdom

**VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

Bidders should refer to Clause 35 of the Draft Terms and conditions.
