### VII.2) Information about modifications

#### VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

An extension to the current contract is required to maintain existing service.

#### VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

It is essential this system continues to be made available. There is a requirement to support the capture and reporting of workforce intelligence for community dental, pharmacy and ophthalmic services in Wales. Constraints outside the control of NWSSP now require continuation of the current solution to the 31st March 2024. This has been retendered as part of an expanded solution but implementation of this element will not be completed by the 31st March 2023.

#### VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptions and average inflation)

Value excluding VAT: £297,000

Total contract value after the modifications

Value excluding VAT: £397,000
