II.2.4) Description of the procurement

Following this PMC, the UKHSA may conclude that a procurement is not the best solution to meet a particular strategic outcome. The UKHSA may conclude that it would be better to do something entirely different to the intent within this PMC. It is essential that any organisation participating in the PMC understands that a procurement opportunity is not guaranteed. Should a procurement opportunity arise subsequently, involvement in the PMC will not affect an organisation's positioning either positively or negatively.
