Description

The Forensic Science Regulator (FSR) timeline for achieving compliance with statutory regulations means that a number of business areas within Surrey Police and Sussex Police are either currently already accredited or are looking to become accredited or compliant with the FSR's Code of Practice. As such the demand upon the current Quality Management System (QMS) being used, has never been so high and is only due to continue to expand as more units/sites and departments seek to become accredited and become fully engaged with the accreditation process and meeting statutory requirements

The Requirement will be tendered for a single Supplier.

The Contract Term shall be for a period of 5 years with the option to extend by a further two 12 month periods.
