Services

II.2) Description

II.2.1) Title

Survey coordinator

Lot No

7

II.2.2) Additional CPV code(s)

- 98363000 - Diving services

II.2.3) Place of performance

NUTS codes

- UKL - Wales

II.2.4) Description of the procurement at the time of conclusion of the contract:

A person with the skills and experience to plan, lead and coordinate field logistics and

manage dive teams. Close liaison with project officer assisting in the coordination of survey requirements and field team needed. Creating HSE Dive Project Plans, liaising with relevant Harbour Authorities and ensure Notice to Mariners are issued if required. Liaising with recompression chambers facilities ahead of and during surveys to ensure availability in an emergency. Able to ensure the quality of the information gathered (monitoring data, dive logs, filed activity diary etc), is secured and appropriately catalogued. Competent in ensuring the completion of an end of season field report that summarises the years field operations and (with input from NRW staff) draws summary conclusions from the data collected. This person could be an independent trader who would form a consortium for the purposes of the framework or it could be the manager of an organisation/company who would tender for the entire set of work (1-4 above). It is expected that the coordinator would also take on one of the diving roles alongside the Survey Coordinator role. They must indicate which secondary Lots they could also fulfil.

Requirement: Typically 20-40 person days per annum.

II.2.7) Duration of the contract, framework agreement, dynamic purchasing system or concession

Start date

7 March 2022

End date

6 March 2024

Yes

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Extension of 12 months to 06/03/2025 and framework rates increased by 4% in line with CPI.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The variation relates to Regulation 72 of the Public Contracts Regulations 2015 PCR 2015 clause 1(a). Extension option and annual uplift

allowed for within the original contract.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £300,000

Total contract value after the modifications

Value excluding VAT: £300,000
