Description

The Kent County Council (KCC) wishes to procure a contract which includes the receipt, handling, processing and treatment of Soil, Rubble and Hardcore deposited at all nineteen Household Waste Recycling Centres (HWRCs) across the County, including but not limited to:

- Soil (non-hazardous)
- Rubble (e.g. bricks, concrete, tiles and ceramics)
- Hardcore (e.g. crushed stone, aggregates)

The Treatment Facility must have valid and appropriate planning permissions, environmental and other relevant permits including the relevant technical competencies for the type and amount of waste to be handled under this Contract and otherwise all

permissions and certification required for the performance of this Contract.
