## Section VI. Complementary information

### VI.3) Additional information

This procurement will be managed electronically via the Council's e-procurement system. To participate in this procurement, applicants must first be registered on the system at <https://in-tendhost.co.uk/norfolkcc>. Full instructions for registration and use of the system can be found at <https://in-tendhost.co.uk/norfolkcc/asp/BuyerProfiles>. Once registered you will be able to see the procurement project under the `forthcoming tenders` section and `express an interest` to view the documentation. If you encounter any difficulties whilst using the system you can contact the In-tend support team by phoning +44 8442728810 or e-mailing [support@in-tend.co.uk](mailto:support@in-tend.co.uk). Please note this is a prior information notice and at this stage the documents available to you will be a brochure with details of the services.

We will be offering one to one with potential bidders via Teams in May 2024. If you would like a one to one meeting, please use the correspondence facility via in-tend to express an interest. Examples of the areas the Council would like to explore with bidders are contract term, contract structure including optional clauses, incentivisation, inclusion of CCTV and other electrical equipment, inclusion of the telecoms network and carbon, social value and tender evaluation.
