Green Skills

Specifics

- Minimum 60 GLHs per course
- Level 3 and above (Level 2 and above for construction)
- 125 learners in total for the Lot (can be broken down into smaller numbers per Skills Bootcamp)

The West Yorkshire Combined Authority would like to procure a suite of Skills Bootcamps in a number of green skill areas. Providers should propose courses that will respond to local need, emerging priorities and sector skills shortages, and take account of the spread of provision required in each Local Authority area. Providers should also stipulate the number of learners to be trained for each Skills Bootcamp, with a clear rationale for this based on local employer demand.

Examples of provision could include the below skill areas or a combination of these. Options include but are not limited to:

- 18th Edition
- EV charging installation and maintenance
- Solar PV installation and maintenance
- Heat Pump installation and maintenance

- Skills for retrofit
