Description

Kennington Parish Council is proposing to replace its playground equipment with the installation of new equipment including appropriate surfacing for younger children.

The play area is intended to be used by children with ages ranging from toddler to mid-teens.

Experienced play area installers are invited to tender for the contract.

It is anticipated that construction work will be carried out in Summer 2025 with the playground ready for use September 30th 2025 at the latest. An earlier construction programme can be agreed with the Parish Council if preferred by the contractor and subject to successful grant funding.

Please refer to the 'site information' section of this tender for the background information

to the site.

A map of the location is attached on page 14.

The children's play area is located in a fenced off section within the playing field area.

All prices are to be net, excluding VAT.

Companies must be registered with the API (Association of Play Industries) to tender for this contract. Please supply copies of current certificate for accreditations for the above membership plus details of any other relevant accreditations.

A timescale for commencing this project will be agreed between Kennington Parish Council and the chosen Contractor.

Tenderers are required to submit a fixed price lump sum tender on the Form of Tender provided with this document.
