Scope

Description

The City Corporation is seeking to appoint a training organisation to provide classroom-based (to clarify - not online or blended delivery) intensive 4-5 week (Monday through to Friday) functional skills training in English and mathematics - primarily to London residents who are disadvantaged and/or suffering deprivation arising from one or a combination of factors including, but not restricted to, poverty, health, housing or education. There may also a requirement to deliver functional skills in English and mathematics to a small number of apprentices employed by the City Corporation.

This Request for Quotation (RFQ) invites Training Organisations able to deliver demonstrably high-quality, highly successful, functional skills training in English and mathematics to the national Functional Skills Standards in English and mathematics at all levels from Entry 1 to Level 2 to quote for the provision of this service. Please note that learners registered before 1 September 2019 will work towards the legacy qualifications in these subjects whereas learners enrolled on or after 1 September 2019 will work towards the reformed qualifications in these subjects.
