The Step Up to Social Work programme provides an accelerated entry route into social work for high-achieving graduates and career changers. The programme has successfully trained over 2000 social workers since 2010. Step Up to Social Work is delivered through the development of a work-based 14-month postgraduate diploma programme, led by groups of local authorities working in Regional Partnerships (RPs) who contract the learning element with Higher Education Institutes (HEIs).
