## **Section VI. Complementary information**

### **VI.3) Additional information**

Where a Lot has not been awarded, this is due to insufficient engagement. While some tenders may have been received for the Lots that were not awarded, the number of compliant bids was insufficient to meet Arc Partnership's requirements. Please also note that while some of the Lots have been marked as being awarded to a group of economic operators, this is not the case and this should be read as 'No'. This is due to a technical limitation that would otherwise render this notice unpublishable.
