The Children and Families service at the London Borough of Hackney is preparing for the upcoming procurement of an Independent Visitor Service, with an anticipated contract start date of 1st January 2027 for a minimum period of 5 years.

We invite organisations from the voluntary, community, and independent sectors to attend a market engagement event for providers who may be interested in submitting a tender for this service.

### About the Service

We are seeking providers to work in partnership with the Local Authority to deliver a high-quality Independent Visitors service for children that are looked after. Successful providers must be committed to embedding Systemic, Trauma Informed and Anti Racist Practice within their service delivery, promoting psychological safety, inclusion, and collaboration with children and families.

This engagement will inform the commissioning and procurement process, which is focused on driving up quality and improving outcomes in line with Hackney's statutory duties under the Children Act 1989, Children and Families Act 2014, and Equality Act 2010.

The Event will take place virtually over the Google Meets Platform on Tuesday 24th February 2026 between 10:00am and 11:00am
