Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Network Monitors RFI

Reference number

FA1455

II.1.2) Main CPV code

- 38420000 - Instruments for measuring flow, level and pressure of liquids and gases

II.1.3) Type of contract

Supplies

II.1.4) Short description

This Request for Information is being issued to help inform options in relation to the supply and repair of a variety of different kinds of Network Monitors and how these might be grouped into Lots in order to cover the entire Thames Water region in both clean and wastewater services.

We currently have a number of Framework Agreements coming to an end which cover the supply, repair, install and maintenance of Network Monitors / Data Loggers across our clean and Wastewater environments.

Please see Section VI.3 Additional Information for access to the supplier information pack and process for submitting your responses through IASTA Smartsource.
