## **II.1.4) Short description**

NHS England, hereafter referred to as "the Authority", is seeking to recommission prison healthcare services across two London secure and detained estates, hereafter referred to as "the Service" and is inviting providers to participate in an upcoming Market Engagement event.

The procurement will comprise two Lots covering healthcare provision at HMP Brixton (Lot 1) and HMP Feltham and Feltham YOI (Lot 2). Collectively, the Service will deliver comprehensive healthcare across the adult secure estate and the children and young people custodial estate.

The Service will be delivered in line with NHS England's New Models of Care Service Specification and will provide integrated primary care, mental health, substance misuse, public health and specialist healthcare services within custodial settings. It will support people in custody from reception screening through ongoing care, treatment, and release planning, ensuring continuity of care between prison and community services.

At Feltham YOI, the Service will deliver a distinct, age-appropriate and therapeutic healthcare model aligned with national guidance for Children and Young People, with a focus on safeguarding, trauma-informed care and early intervention.

The Service aims to improve health outcomes for people in custody, reduce health inequalities, support rehabilitation and resettlement, and ensure access to safe, high-quality healthcare equivalent to that available in the community.

The Service will be expected to work closely with key partners including His Majesty's Prison and Probation Service (HMPPS), Youth Custody Service (YCS), Integrated Care Boards, local NHS providers, local authorities and voluntary sector organisations to support integrated care delivery and effective care transitions.

The Authority plans to hold an online interactive Market Engagement Event on Tuesday 24th February 2026 10:00am - 12:00noon via Teams (online) to provide further information about the procurement, including:

- an overview of the proposed services to be provided

- details of the anticipated contract type, length and particular conditions
- an overview of the procurement process and the anticipated timeline

Please complete the Market Engagement Event Registration Form by no later than 5:00pm on 18th February 2026 if you are interested and applicable to attend the event:

Please only register if you are planning to bid or would like to know further information about the project.

Also note that no third-Party AI Meeting Assistants will be allowed in the session.
