Value excluding VAT: £446,250

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKM81 - East Dunbartonshire, West Dunbartonshire and Helensburgh & Lomond

Main site or place of performance

NHS Golden Jubilee

II.2.4) Description of the procurement

The National Waiting Times Centre Board intends to enter in a contract with Pulmonx International Sarl as being the only option available to meet our requirements. In accordance with our interpretation of the Public Contracts Regulations 2015, the required equipment capability can only be provided by a particular provider for technical reasons due to the unique essential requirements of the equipment, namely Pulmonx International Sarl is currently the only manufacturer of commercially available endobronchial valves that can accommodate endobronchial application for bronchoscopic lung volume reduction for the treatment of emphysema or management of air leak. No other commercially available product facilitate the multidisciplinary applications planned for use at the NHS Golden Jubilee during the lifespan of the equipment.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure
