North of England Commissioning Support is working for and on behalf of NHS North East and North Cumbria Integrated Care Board (ICB) (the Contracting Authority) who wish to carry out market engagement in relation to a Peer Support Service to be delivered across the Tees Valley locality.

The Contracting Authority is issuing this Prior Information Notice (PIN) as a Request for Information (RFI) to engage with the market and to gather information in order to gain a better understanding of the capacity and appetite of the market in delivering the proposed service, and to alert the market to a future tender opportunity.

The estimated annual contract value is £400,000.

It is important to note that this PIN/RFI is not a call for competition and as such you will need to express your interest in any future tender opportunity once the contract notice is published in Find a Tender and on Contracts Finder.

It should also be noted that this PIN/RFI invites individuals and organisations to express an interest in this RFI exercise only, and it is NOT a pre-qualification questionnaire, and is NOT part of any pre-qualification or selection process.

This PIN/RFI is intended as an awareness, communication, and information gathering exercise. An expression of interest is no indication of a commitment to participate in the RFI process nor does it infer any preferential or special status on those individuals and

organisations who express an interest in the RFI exercise.

NECS is utilising an electronic tendering portal (Atamis) to manage this RFI and as such interested individuals and organisations will need to register on the portal to access the RFI documentation, including the draft service specification and submit their completed RFI.
