## Section VI. Complementary information

### VI.3) Additional information

Part 2 Award Criteria: Delivery 70%, Equality, Diversity & Inclusion 15% & Fair Work Practice 15%

Award scoring methodology will be used for each of the award criteria of 0-3 (Sect 1 & 2) or 0-4 (Sect 3) as stated in the ITT document.

SDS in allocating volumes will take into account the bids received and the priorities for the programme and may allocate to the estimated value specified or less, as appropriate.

Fair Work Practices - SDS is committed to the delivery of high quality public services, and recognises that this is critically dependent on a workforce that is well-motivated, well led, has appropriate opportunities for training and skills development and is engaged in decision making. These factors are also important for workforce recruitment and retention, and thus continuity of service.
