#### **II.2.4) Description of the procurement**

The appointment of a Framework of Managing Agent across 16 consortia/ areas made up of 141 local authorities across the South East of England; to deliver a large scale, low carbon project to deliver energy retrofit and low carbon/renewable technologies across all tenures of housing stock.

This scope of services will include marketing, managing the customer journey including consortia engagement, householder sign-up, eligibility checks, retrofit works scoping, works estimation, procurement of works packages (either through their own supply chain and appointed by the managing agent or through the GSEEH DPS and appointed by the consortia, tender evaluation and award reports/ recommendations, contract completion, 3 / 5 mobilisation and works management, commercial management, quality management and checks and output

reporting.

the requirement will be the same for each of the following 16 Lots

1. London Consortia
2. Norfolk Consortia
3. Suffolk Consortia
4. Cambridge Consortia
5. Herts Consortia
6. Essex Consortia
7. Kent Consortia
8. East Sussex Consortia
9. Bucks Consortia
10. Berkshire Consortia
11. Ox Consortia
12. West Sussex (may join with East Sussex)

13. Surrey Consortia

14. Hamps Consortia

15. Northants Consortia

16. Beds Consortia

The funding allocation for each of these area is calculated as being within one of 4 bands and this is set out in the tender documents

It should be noted that the initial call-offs across all 16 Lots for both this framework and the delivery of the works has a maximum value of £77,566,500 and this budget and works must be completed by the end of 2021.

However, the GSEEH team, is currently seeking to secure further energy efficiency funding and as such is estimating a potential, total services and works value of £1,000,000,000 with the services element across the 16 Lots being estimated at a maximum of 8% of this budget.
